C. Horner of Washington . . . this is an opportunity for the women of the county to organize into a unit which will afford them an opportunity to learn and understand the basic principles of government and the fundamentals of politics . . . the Lealand Lee's have sold their filling station business at the corner of Main and Beach to Wilson Wehre and Walter Lee, and this Saturday they are opening their new business, Lee's Style Shop, in the Lioacano Building, 213 N. Main street . . . they will carry a full line of ladies' girls' men and boys' wear . . . speaking of new businesses in Bay St. Louis . . . we have a new cream parlor on the highway . . . "Dairy Queen" . . . and just think kiddies . . . they are going to give away cones of Dairy Queen between two and three o'clock . . . and while on the subject of business . . . Joe Lioacano is opening his 3rd. store . . . A. & J. Food Store number 2 . . . corner Main and Toule St., today . . . his other stores are at Esterbrook and Nacaise and at 442 Main street . . . Joe and Jim Lioacano are an example of energy and force in the making of opportunities . . . starting from scratch these youngsters have really built for the future . . . and they are still driving . . . and by the way did you know why the stores are called A & J . . . after their sons Anthony and Joseph . . . Mrs. Joseph Kern of the 5 and 10 has really done a fine job on her building, enlarging it with a new front which is a credit . . . this is the sign of stability in business . . . and don't forget a nice building with a good display attracts customers . . . The Women's Civic Organization is starting on the playgrounds . . . it was promised for Easter Sunday and they say positively that the kids of the town will not be denied . . . the Chamber of Commerce meeting will be held February 16th . . . the regular date for the meeting was February 14th., but due to the meetings of the Women's League of Voters being held on that date it was postponed to the 16th. . . well the telephone strike has been postponed until the 24th . . . happy and sorry . . . sometimes we wish the telephone would have never come into existence and then again what would we do without it . . . so my dear girls on the floor above us . . . please remember we any many others need your help in our business . . . so forget about the strike . . . the Chamber of Commerce is on the ball with our representative in congress about the continuance of the United States Merchant Marine Cadet School at Henderson Point . . . it is the only school of its type in the south . . . you too, can help in this matter . . . a letter or a telegram to Bill Colmer and John Stearns or to some other member of congress about keeping the school down here may prove worthwhile . . . 35 ladies attended the demonstration of the Bendix Washing Machine operation at Demoran's Radio Service last week . . . refreshments were served and prizes were awarded . . . Emmett was highly pleased with the attendance and the results . . . and in closing . . . bear in mind there is

C. OF C. DISCUSSES CADET BASE VALUE

The recent indication that the Merchant Marine School, located at Henderson Point, was slated to be closed was the subject of much discussion at the meeting of the Board of Directors of the Hancock County Chamber of Commerce held February 8.

APPOINTS COMMITTEE
H. H. Shattuck, president, appointed a committee, with T. T. Robin at its head, composed of Shattuck, Miss Mae Edwards, Mrs. Scott T. Assenheimer and H. E. Englehorn, to see that the facts of the matter be made generally understood. The directors concluded that the public of this area was not aware of the value of the Maritime School to the Gulf Coast, and the loss to all the Coast towns that its removal would occasion.

The group was unanimous in its praise of the Mississippi Highway patrol, and they went on record as not only commending Colonel Birdsong and his men for their accomplishments, but they urged that two patrolmen be placed in each patrol car and that the patrol be further expanded. The secretary was directed to send letters, commending the Highway Patrol, to Gov. Fielding Wright and the Hancock Legislators.

CHANGE MEETING DATE
Other routine business was attended to and to avoid a conflict in meeting date with newly organized League of Women Voters, it was decided that the next regular Chamber of Commerce meeting would be held Thursday, February 16 at 7:30 p. m. at the Courthouse.

Directors attending were H. H. Shattuck, Robert Hamilton, T. T. Robin, B. L. Ramsay, A. J. Chapman, and George Stevenson.

EPISCOPAL AUXILIARY HOLDS MONTHLY MEET

The Woman's Auxiliary of Christ Episcopal church, Chapters I and II, held their regular monthly meeting this week.

The meeting of Chapter I was held at the home of Mrs. H. A. Eldredge with Mrs. Walter J. Gex as co-hostess. Tuesday morning, at 10 o'clock, Mrs. E. P. Kirkpatrick, president, presided.

Miss Adele Seyle gave the devotional, and reports on the Auxiliary Council meeting held in Vicksburg, Miss., were given by Mrs. George Lehlleitner, promotion chairman; Mrs. Don McCulloch, Christian Education; Mrs. J. W. Watts, Missions; Mrs. N. L. Carter, United Thanks Offering; Mrs. W. Dupaquier, Youth Program; Mrs. W. Bontemps, delegate for Christian Social Relations.

Mrs. E. P. Kirkpatrick, delegate, gave a report; and the diocese chairman of publication, Mrs. A. D. Drescher, gave an overall picture of the meeting. Three hundred and eighty-eight women attended.

Rev. Johnson discussed the Altar Guild to be organized in the near future.

It was voted that a donation for the local youth center be given.

Chapter II met Wednesday evening at the home of Mrs. J. W. Watts with Mrs. Wallace Bontemps as co-hostess.

Members who attended the council meeting at Vicksburg gave reports.

much which can be done to help build Bay St. Louis and Hancock County . . . remember you are a necessary party . . . your ideas and your efforts are needed to bring about the desired results . . . bickering and personalities must be dropped by the wayside, in both civic and political matters . . . who and how many will measure up to it . . . time will tell . . .

Four Teams Formed For Baseball League

Four teams were formed from the sixty boys, ranging in age from 13 to 17, who came out for baseball practice, Forster Commagere, director, announced.

A meeting was held Wednesday night at the Courthouse to organize the league, which will not open until the relay races are completed, the director added.

The boys attending the meeting were placed on different teams, not of their own choosing, but according to the judgment of the men who act as counselors for the players. The boys were placed in order to balance the teams as evenly as possible.

A schedule will be arranged in the near future, and games will begin at an early date, sometime after February 22.

Several trophies have been offered, by interested persons, for the best batter, best fielder, best base-runner, sportsmanship and other outstanding achievements.

Group Favors Granting Morreale A Franchise

A committee, representing the Hancock County Chamber of Commerce and some twenty other interested merchants and citizens of this area, appeared as witnesses at an Interstate Commerce Commission hearing in New Orleans January 31. These representatives went on record as definitely favoring the granting of common license to Vincent Morreale.

Mr. Morreale has petitioned for a franchise to operate a trucking line from New Orleans to Long Beach and to serve all intermediate points as well as Logtown, Kiln, DeLisle, Lakeshire, Waveland and Clermont Harbor with "next morning" deliveries.

The Chamber of Commerce, at their regular meeting January 19, adopted a resolution favoring this application and directed that the chairman name a committee to attend the I. C. C. hearing. Those attending and representing the C. of C. were H. H. Shattuck, A. J. Chapman, Jr. and E. J. Arceneaux.

Interested merchants from Kiln, Logtown, Waveland, Pass Christian, DeLisle and Bay St. Louis testified as to the need for more adequate truck service so as to facilitate deliveries from New Orleans wholesalers to receivers of this area, H. H. Shattuck, president of the C. of C. said.

The Rene de Montluzin Entertain French Visitor

Mr. Rene de Montluzin, Sr., received a surprise visit from a friend whom he had not seen for fifty-two years, on Tuesday of this week.

Mr. Hippolyte Damiens, formerly of New Orleans, and friend of the de Montluzin family, left the United States for France fifty-two years ago, at the age of twenty, and entered the French Diplomatic Service shortly thereafter. He spent twenty years in connection with French embassies in North Africa and a number of years in diplomatic service in Indo-China and Japan, finally returning to his home near Paris before World War II.

VISITING RELATIVES
At present Mr. Damiens is visiting relatives in New Orleans; he plans to return to France in May. During his visit to Mr. de Montluzin, this Tuesday, memories of half a century ago were revived and many old friends recalled.

Mr. Damiens, who remembered Bay St. Louis as it was at the end of the nineteenth century, saw few recognizable landmarks and found the changes most incredible. He was particularly impressed with the new Yacht club.

S. J. A. Parents Club Holds Monthly Meet

Mrs. W. L. Reeder opened the St. Joseph Academy Parents' club meeting, held Tuesday, February 7, with a prayer.

Following the reading of the minutes and the financial report, Mrs. L. H. Raymond, chairman of the coupon collection committee, gave her report.

SHERILL CARMOUCHE IS CARNIVAL QUEEN

The Court of the Krewe of Chicapoula, has been selected and new and colorful costumes and settings are being made; the general outline for this phase of the P. T. A. Mardi Gras tends to be a splendid affair this year, Mrs. George Horton, chairman announced.

THEIR MAJESTIES
Miss Sherrill Carmouche, daughter of Mr. and Mrs. Oswald Carmouche will reign as Queen; and Keith Tonkel, son of Mr. and Mrs. Dennis Tonkel will reign as King, for that year. The Majids are Misses Audrey Garcia, Clare Corr, Mildred Adams, Marie Shiyou, Joyce Pernicario and June Colson. Dukes are Larry Smith, Jerry Bienville, Clayton Adams, Milford Favre, James Kramer and Billy Burrows. Train Bearers are Sarah Jo Garrett and Beverly Schindler; Pages are John Di Maria and Michael Yates.

THE CEREMONIES
The ceremonies at the Courthouse will be according to tradition, Mrs. Horton said. The Keys to the City will be presented to the King and he will toast his queen there.

Following the parade, the Court will be presented in the Bay High gym, where the remainder of the Carnival festivities will be held until 8:00 p. m. that evening.

The number of floats following the parade, are encouraging to the committees, the chairman added.

BOY SCOUT TROOP 217 TO CELEBRATE 15th YEAR

Boy Scout Troop 217 sponsored by Our Lady of the Gulf church with Rt. Rev. Msgr. A. J. Gmelch as pastor, will mark fifteen years of successful scouting for the troop in May, Scoutmasters Fred E. Payard, Sr. and Peter Benvenuti announced.

SIX EAGLE SCOUTS
Up to the present year, the troop has had six boys reach the rank of Eagle Scout.

At a recent court of awards held at Bay High auditorium, the following scouts received their second class awards: R. J. Nacaise, Anthony Benigno, James Lapoint, Alvin Benigno, Donald Cuevas, Jack Calhoun, Arthur Seghers, Terrill Randolph, Charles Lafontaine, Herman Bernom, Robert Ladner, Bernard Wolfe, Ronald Maurigi, W. A. Prewitt, III, Henry Monti, Ronald Garcia, Huey Payard.

AWARDS GIVEN
First class awards were given to McLeod Haas, Leroy Noto and Manuel Maurigi.

Star awards were presented to Leonard Benvenuti and Milton Cuevas.

James Seghers and Fred Capell received Life Awards, while Michael Haas and Frank Schmidt received Eagle awards.

Merit Badges went to Leroy Noto, Fred Capell, James Seghers and Leonard Benvenuti. These scouts received a total of thirty badges.

ATTEND MASS
Troop 217 will attend Mass Sunday, February 12 in a group as a closing of Scout Week.

The Troop has participated in the following events during the year: raising of the flag for the St. Stanislaus Day School and Waveland school; they took part in the presentation of flags, by the American Legion Auxiliary, to the Taylor and Webb schools, in the raising of the flag presented to the City of Bay St. Louis by the American Legion Post 139; they took part in the raising of the flag for the opening of the baseball season; and they will again take part in the coming field races, the Scoutmaster stated.

All boys of eleven years or older who would like to see a scout meeting in action are invited to visit the Troop on their meeting night, which is Friday.

Do You Like Cards?

Do you like to play cards? The Bay-Waveland Garden Club is sponsoring a card party, where those attending can play Canasta, Bridge and any other card game, Friday, February 10 from 2 p. m. to 5 p. m., and from 8 p. m. until midnight at the Bay-Waveland Yacht club.

The proceeds will go to the land-scaping fund of the Yacht club. It is requested that those coming for cards bring their own cards, score pads and pencils.

Refreshments will be served.

A Lotta Baloney!

It was a lot of baloney! To be exact the special balogna that Scharrif's Itney Jungle had Armour Co. make for them weighed seventy-three pounds. Miss Jo Anne Lang and Mrs. Charles A. Breath, Jr., guessed the exact weight. Each received a prize.

Little Theatre Needs Players To Take Part In Their Coming Play "Strange Bedfellows"

S. J. A. Carnival Ball To Be Held February 17

Arrangements for the seventeenth annual Carnival Ball, sponsored each year by the St. Joseph Academy Mothers' club, were completed at the committee meeting held last Thursday night in the school den.

CHAIRMAN ATTENDING
Committee chairman attending were Mrs. W. L. Reeder, president of the Mothers' Club; Dr. J. A. Evans, general chairman of the ball; Mrs. Gertrude Saucier, chairman of decorations; Mrs. George Anderson, chairman of ticket sales; Mrs. W. A. Prewitt and Dr. John L. Griffin, chairman of the court; Miss May H. Edwards, chairman of publicity; E. N. Brignac, lighting chairman. Other chairmen are D. M. Russell, Jr., music; Mrs. H. A. Eldredge, flowers; Mayor W. J. Carver, door committee; Edouard Carriere, floor committee; Dr. M. J. Wolfe, photography committee.

STAGED FEBRUARY 17
The ball will be staged, Friday, February 17 at 9 p. m. with an admission charge of \$1. Additional seating arrangements, which should take care of the greater majority of the overflow, are being made.

The first four dances will be reserved for the court; general dancing will follow.

The men in the court will wear costumes this year in preference to the tuxedo.

S. S. C. - Kiln Win Basketball Finals

The St. Stanislaus Rock-A-Chaws defeated Dedaux in the finals of the Bay High Invitational basketball tournament held last week, by a 37-34 score. The Rocks gained an early lead which they held throughout the game. Dedaux threatened the Rocks the latter part of the game, but the Stanislaus cagers were determined to protect their lead; they froze the ball for the last minute of play. Rooney from Stanislaus, was high point man for the game with 16 markers.

KILN HEIGHT HELPS
In the girls' game, which was another thriller, Kiln defeated Pica-yune 41 to 34. Again it was the Kiln height under the basket which was the decided edge; however, the Kiln guards played an outstanding game by keeping the high scoring Pica-yune forwards in check. High scorer for the game was Jane Haas of Kiln with 25 points.

Following the final games, Senator Cornelius Ladner awarded the trophies to the victorious teams, and announced the all-tournament teams. Beverly May, S. S. C. guard, and Burl Johnson, Bay "High" forward, were the local boys who made the all-tournament team. Margaret Murphy, Bay High guard, made the girls' team.

The school officials of Bay High wish to take this opportunity to thank everyone who made this tournament a success.

DIES AT DALLAS

Mrs. Elizabeth Cohrs Preis, mother of Richard Preis of Bay St. Louis, died in Dallas, Texas, February 4.

Schedule Forestry Tree Planting Demonstration For February 14th

A forestry tree planting demonstration will be held Tuesday, February 14, beginning at 10:00 a. m., on land, owned by the Hancock Bank, located on the Kiln-Poplarville highway in the White Cypress Community.

PLANTERS TO BE USED
The planter, designed and built by the Illinois Central Railroad, and the small Timber Cat F, a planter built by the Lowther Company in Jacksonville, Fla., will be used. Jack Hale, with Lowther, will demonstrate

PLANT FIVE ACRES
Five acres, bordering on the highway, will be planted as a demonstration. Following the completion of the planting, fire lines will be built by the Mississippi Forest Service to show the spectators the way they should be made.

Demoran's Radio Service will provide the group with a sound truck, and P. H. Howell, who is considered the father of the present forestry program in Mississippi, will be the principal speaker.

PLANTS FIRST PINE SEEDLINGS
Mr. Howell planted the first pine seedlings in Mississippi in 1926; from this began the Forestry Service's present planting program.

Others taking part in the program will be J. Roland Weston, Bob Jones, Sam Whitfield and T. V. Marlar, Area Forest Ranger.

Castings for the forthcoming Little Theatre production, "Strange Bedfellows," to be held March 16, 17 and 18, will be held Sunday, February 12 at the playhouse at 4:30 p. m.

PARTS TO BE FILLED

The play, whose title comes from the familiar saying "Politics makes strange bedfellows," will need a man of any age for a Chinese butler; a man from 50 to 80 years of age to be a Senator; and a woman to take the part of the Senator's wife. She must be around 50 or 60 years old. A middle-aged woman is needed to take the maid's role; and another woman between the ages of 35 to 40, is needed to play the Senator's daughter. A girl of about fifteen and a boy around ten years old can try-out for some parts; and two women aged 40 to 60 and a man around 40 years old are requested to cast for parts in the comedy.

Any man, around 35-years old, who can do a role of a politician, can come out for the part of a congressman. Other actors and actresses needed to complete the cast include a woman about 30, another woman between 40 and 45, a middle-aged man to take the role of the mayor of San Francisco, and three girls between the ages of 18 to 25.

WOMEN IN POLITICS

The play, which is centered around women in politics, has San Francisco as its locale.

"Strange Bedfellows" was presented in New York in 1948, and is still showing there. It met with the highest acclaim from some of the toughest critics. It has just been released for Little Theatre production.

Mrs. Eleanor Sabath, director of the Theatre's first production for 1950, has announced that it is not necessary to be a member of the group to take part; she asks that all interested persons come down to the playhouse for the castings.

Persons interested in stage work and costumes are requested by Mrs. Oliver Radford, president, to come to the Little Theatre and take part. Seven outstanding plays will be produced by the Bay St. Louis Little Theatre during the 1950 season, Mrs. Oliver Radford, president, announced.

The play leading committee met this week at the home of Mrs. C. D. Blair and picked the productions for this year.

OPENING PLAY

The season will open with "Strange Bedfellows," by Florence Ryerson and Collin Clement. This comedy will run March 16, 17, and 18.

WHIMSICAL CLASSIC

Mrs. Blair and her committeemen chose Hendrick Isden's whimsical classic "A Doll House," as the second production; while the third performance will be either "Harvey" or "Three Men on a Horse" by John Cecil Holmes and George Abbott. Both are comedies.

"JUNIOR MISS"

The adolescent comedy, "Junior Miss," by Jerome Chodorov and Joseph Fields, will be the fourth entertainment put on by the Little Theatre.

THE GROUP SELECTED "NIGHT MUST FALL"

Emelin Williams' mystery, for the fifth play; and "The Late Christopher Bean" by Sidney Howard for the sixth production.

LAST PLAY

The last feature of the year will be "The Great Big Door" Step, adapted from the novel by E. T. O'Donnell, New Orleans man, by Francis Goodrich and Albert Hackett.

Mrs. William Waller Celebrates Hundreth Birthday February 14

Mrs. William Mikell Waller, mother of Judge Curtis Longino Waller, will celebrate her hundreth birthday February 14 at the home of one of her ten children, Mrs. Merle Abbott Riley.

Hundreds of friends and relatives will gather at Prentiss, Mississippi, to help the centenarian celebrate this anniversary.

One of her sons, Curtis Waller, is a judge of the United States fifth circuit court of appeals in New Orleans, La. The judge is the only one of Mrs. Waller's nine children, five of whom are now living, that has left the State of Mississippi to make his home.

The other children who will be on hand to celebrate this occasion include Dr. Benjamin Sylvanus Waller of Silver Creek, Miss.; Mrs. Leon Tyrone, Mrs. Daphus Leon Ralston and Mrs. Wiburn D. Hilton of Prentiss.

In addition to her children, ten grandchildren and seven great grandchildren, will be present.

Mrs. Waller, one of ten children born in Lawrence County, Miss., is the only one of her family living. She was the former Miss Clarinda Cordelia Longino who married William Mikell Waller, March 15, 1869. Her husband died in 1931 at the age of 85.

A. H. Longino, who was governor of Mississippi from 1900 to 1904, was Mrs. Waller's brother.

The Centenarian is still remarkably active. She attends church every Sunday, reads and sews, and is able to walk on her own power.

Judge Waller, who is married to the former Lucy McGinn of Bay St. Louis, practiced law here with the late Waller & Gex, Sr., before moving to Tallahassee. The firm was known as Gex and Waller.

HOW ABOUT YOU?

Your Red Cross Drive is coming, get ready for it. March 1 has been set as the opening date for the Red Cross Fund Drive, of which Don McCulloch is chairman for Hancock County.

Citizens of this community, in particular, should be ready and willing to help such a worthy cause. They should recall the time during the hurricane of 1947 when the Red Cross came to their aid. Many were given shelter, food, medical aid and attention; this was made possible through contributions from generous donors. "Many times a year, the American people turn to the Red Cross. Once a year the Red Cross turns to the people."

Each year the millions who need help and the millions who want to help are brought together through your Red Cross.

The Red Cross represents one of the few organizations which can cross the frontiers of the world without suspicion, and which in time of peace is devoted internationally to good will, mercy and relief, without boundaries of prejudice or politics; the Red Cross lives only to serve, nationally and internationally. The American Red Cross links with sister societies in most of the other countries of the world to give humanitarian aid. All people may serve together under the one flag of Red Cross.

"A strong Red Cross means a stronger America."

The trained first-aid steps from the crowd to staunch the flow of blood; the Gray Lady makes the clock tick faster for the paralyzed veteran; the flood victims' cry for help is answered immediately with food, shelter, and medical care. Without material help from the citizens of the United States, this worthy organization could not carry on and do the work that it has been doing for many years.

All of us have an instinctive impulse to help someone in need—this impulse to help is as old as the human heart—perhaps it is while an accident victim's precious blood flows away; perhaps it is when we read of helpless veterans destined to live the rest of their lives within hospital walls; perhaps it is while we listen to the tense voices of a newscaster describing the panic, the cold, the hungry, the despair and misery of families made suddenly homeless by a disaster.

The quota set for Hancock County for 1950 is \$4,122.

This small sum when added to others, will mean relief to thousands of sufferers who come to the Red Cross for help.

"No other organization is so well equipped, so well trained and so completely dedicated to the relief of human suffering."

Your help is always there—through your Red Cross. Know in your heart you sent your share.

All can help; will you? It's Red Cross time.

CROSS SECTION OF AMERICA

The Boy Scouts of America is observing its 40th Anniversary. Although it began with a small membership in 1910 it caught on rapidly. By 1916 Boy Scouts had rolled up so creditable a record of service to their communities that the Congress of the United States granted the Boy Scouts of America a Federal Charter.

The record shows that the current active membership is two and a half million boys and leaders. During the organization's forty years, more than sixteen million, five hundred thousand

and have been influenced by the Scout Oath and Law. As a matter of fact, nearly twenty per cent of the male population of America today has been identified with the Boy Scouts of America.

The purpose of Scouting, reads the Federal Charter, "shall be to promote, through organization and cooperation with other agencies, the ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues."

Today, the Boy Scouts, virtually a cross-nation-section of American life, are at the mid-point of a two-year Crusade to "Strengthen The Arm of Liberty by bringing a better Scouting Program to more boys under better trained leaders. This worthy effort will have its climax in a great National Jamboree this summer which will fittingly be held on historic ground—Valley Forge, Pa., where George Washington and his heroic Continental Army helped to lay the foundation for our Republic. It will be a gathering of the youth who will be among the nation's top leaders a few decades hence.

To the Boy Scouts of America on their fortieth anniversary, we say "Happy Birthday!"

Treat Students For Carbon Monoxide Poisoning Feb. 3

Ten Negro boys and girls were given emergency treatment at the Kings Daughters Hospital here Friday evening for Carbon Monoxide poisoning. The boys and girls who were on a school bus, were enroute to Piquette from Pascagoula for a competitive basketball game when the coach in charge discovered one of the girls in the rear of the bus apparently unconscious. The bus drove off the bridge and stopped near the Hotel Reed. Here they discovered that nine more of the 20 students were unconscious. A physician was called and they were taken to the Kings Daughters Hospital for treatment. When completely restored they were allowed to leave the hospital and return to Pascagoula.

It was said that the coach attributed the accident to a leaking pipe near the exhaust. Only students near the rear of the bus were effected.

JOHN GLOVER GIVES THIRD KING PARTY

John Glover was host at the third King party of the year, entertaining at the home of his father, C. J. Glover on Carroll avenue Friday evening.

Dancing and games were the features of entertainment, and the young folks enjoyed television.

Those attending besides John were Sandra Scaife, Dorothy Larroux, Pam Crasto, Alice Scaife, Jeannette Monti, Diane Brignac, Sheila Heltzman, Patsy Shadoin, Alice Dupiquier, Maureen Mitchell, Patrick Glover, Pat Favre, Pat Poolson, Louis Maumus, Jack Yates, Bernard Wolfe, Jerry Weigand, Arthur Schegher, Woody Santa Cruz, Frank Hill, Jack Calhoun, Tommy Schaefer, Alvin Scaife.

John and his friends will give the next King party in the near future.

BAY HIGH FRESHMEN ENTERTAIN PARENTS

The Bay High Freshman class entertained their parents and friends at the general assembly period last week with an "It Pays to be Ignorant" program.

The stage was arranged as a school room with Betty Jean Lafontaine as the teacher. The student body was composed of Mike Murphy, Ronald Tangus, Donald Carr, Peggy DeHaan, Barbara Ann McArthur, Janet Dorn, Fay Richardson.

Students swapped jokes, recited poetry and read parodies of poems. Miss Corrie Floyd, Bay High Librarian, is sponsor for the freshman class.

GO TO NEW ORLEANS

Mr. and Mrs. Patrick Murphy and little son Pat and Mrs. Ellis Guillory and little daughter Susan spent Monday in New Orleans.

CALLED TO NEW ORLEANS

Mr. and Mrs. Jules Burg, former Bay St. Louis residents, now of Birmingham, Ala., were called to New Orleans by the serious illness of Mrs. L. J. Burg who has been in Tourno Infirmary for some time. With them are their daughter, Miss Marie Louise Burg, and their son, Jules Burg, Jr.

Miss Audrey Poolson, New Orleans, visited her parents Mr. and Mrs. Charles Poolson, last week.

HOME AGENT NOTES

Here's A Ring-Around-The-Rosey Recipe

By MISS MADGE ALLRED

Most all of us have played "Ring-Around-the-Rosey" at some time, but how many of us have ever eaten it as a dessert. Since most of us would say "Not me," I'm going to give you the recipe for making a "Ring-Around-The-Rosey" dessert.

HERE'S HOW TO DO IT

All you have to do is spread delicate sponge cake with bright red strawberries, luscious boysenberries, blackberries or other fresh fruit and roll into a circle. It's too early for most of us to have fresh strawberries or other fruit at home. If you aren't one of the lucky ones with it in your home freezer or locker, just remember this recipe when fruits are plentiful.

To make the dessert, first check to be sure you have a cookie sheet (10 1/2 x 15 inches) which has a half-inch rim. Line the pan with waxed paper, letting it hang over each end about 2 inches. Spread a liberal coating of salad oil over the waxed paper. Preheat the oven to 375 degrees.

Break 3 eggs into a mixing bowl. Beat with electric mixer or rotary beater until lemon-colored and thick enough to lift with beaters. Add 1/2 teaspoon vanilla.

Measure into sifter 3/4 cup sifted pastry flour, 3/4 teaspoon baking powder, 1/2 teaspoon salt. Sift dry ingredients gradually on to egg mixture, folding in with a gentle, over and up, motion of a spoon. When

all flour is combined with eggs pour sponge batter down the middle of your lined baking sheet.

With back of spoon or rubber spatula, spread mixture out to cover pan evenly. Bake 10 to 12 minutes. Top should be golden brown and springy back if lightly dented with finger tip.

Don't be too alarmed if the oil on the wax paper smokes while in oven. While roll is baking, spread out dish towel. Sprinkle with confectioner's sugar to cover area larger than baking pan.

Remove cake from oven and turn upside down immediately onto the sugared towel. To do this, hold the pan on either end and turn down quickly. Lift off pan. With knife, loosen waxed paper from edges.

To prevent tearing cake, make a small hole in center of paper and pull off gently from center toward outside edge.

Now fold end of towel over cake and roll it up in the towel. When cake cools, it is firm enough to unroll without breaking and like the bent twig, is inclined to curve.

Spread the roll with fresh sweetened berries and re-roll. Cut in slices and serve with blob of whipped cream or each slice may be topped with crushed berries that have been sweetened.

ANT CONTROL

Ants manage to pester most home-makers at some time or other. For the time when they appear on your pantry shelves or window sills or other places, here are the recommended controls for both the ants that eat greasy foods and those that prefer sweets.

The best way to control ants is to find and destroy the colony. To do this, pour about 1 to 2 tablespoons of hi-life (carbon bisulphide) in the top of each nest. DDT or Chlordane dusted or sprayed on the nest will also destroy the colony.

You can get rid of the ants for 2 to 3 weeks by spraying thoroughly around baseboards and windows with 2% chlordane (1068).

A grease bait will kill colonies of grease eating ants. Make the bait by rubbing tarter emetic on chicken bones or meat scraps. Or, mix 1 part of tarter emetic to 19 parts of hog lard.

For sweet eating ants use the Government formula Argentine ant poison. You can get details for ant campaign from the State Plant Board, State College, Mississippi.

ATTEND BALL OF ATHENIANS

Dr. and Mrs. T. B. Sellers, Mr. and Mrs. Jaubert Fuchs, Mr. and Mrs. Leo W. Seal, Mrs. Edmund F. Fahey, Jr., attended the Ball of Athenians at the Municipal Auditorium in New Orleans last Saturday evening. Miss Sue Hyams, niece of Mrs. Fuchs, reigned as queen of the ball.

Celebrate Anniversary

Observance of Scout Week, marking the 40th Anniversary of the Boy Scouts of America, began Monday, February 6, and will last through Sunday, February 12. The Anniversary will be celebrated in every city and town throughout the nation and its territories by 2,300,000 boys and adult leaders.

President Truman will greet twelve outstanding Boy Scouts in the White House during Boy Scout week. The Scouts will present to Mr. Truman the "Report to the Nation" telling of Scouting's service to the community since he greeted a similar group of twelve outstanding Scouts a year ago. President Truman is Honorary President of the Boy Scouts of America.

Boy Scout Week this year finds the organization at the mid-point of its two-year Crusade to "Strengthen the Arm of Liberty," which seeks to bring more boys into its ranks, give them richer experiences in all phases of its programs under volunteer leaders of high character who take training courses so they can carry on effectively.

The theme of the 40th birthday observance is "Strengthen Liberty." In countless meetings across the nation this theme will be portrayed in pageants, demonstrations, public ceremonies and Parents' Night gatherings.

The highlight of the second year of the Crusade will be the National Jamboree at Valley Forge, Pa., at which 40,000 Scouts and leaders from every section of the nation and several hundred Scouts of other lands will camp together from June 30 to July 6.

In many communities and at state capitals, Scouts will be greeted by civic leaders and will take part in ceremonies related to the Crusade. In accordance with tradition, Scouts everywhere rededicated themselves to the Scout Oath and Law February 8 at 8:15 P. M.

During Boy Scout Week, parents of Scouts and friends visit troop meetings and see for themselves that the Scout Unit is a demonstration of democracy at work. The Scouts and their guests will enjoy an evening of campfire songs, skits, games and stunts. This year, as part of their observance of the Crusade, many meetings will feature a ceremony of lighting a special torch to emphasize its aims.

Boy Scout Week is also the occasion when Scouts, their parents and the institutions sponsoring Scout units, get together to honor the adult volunteer leaders whose contributions in unselfish service to youth makes the Scout organization possible.

School authorities in countless communities have arranged for pupils who are Scouts to put on demonstrations in school assemblies. Many public and private schools act as sponsoring institutions for Scout Units. The latest National Council report to Congress shows that 16 percent of the 71,000 Scout Units in America are sponsored by educational institutions.

During Boy Scout Week store windows, theatre lobbies and other public places contain displays of handicraft made by Scouts. Often the boys themselves take turns demonstrating some of the skills they acquire through the program.

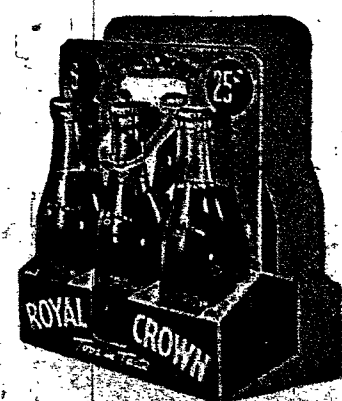

Thousands of new Cub Scouts, Boy Scouts and Explorers, as the new Senior Program is termed, will be inducted through investiture ceremonies.

Sunday, February 12, will be Boy Scout Sunday. Scouts and leaders will attend church services in uniform.

ATTEND WEDDING

Dr. and Mrs. J. A. Evans attended the wedding of Mr. Warren Anthony Forstall and Miss Natalie Galle of New Orleans and Bay St. Louis which was celebrated at the Holy Name of Jesus church, St. Charles avenue, Saturday morning. Father Rodney Touts officiated.

Following the ceremony a reception was held at the Orleans Club. The Forstall family are former summer residents of Bay St. Louis; Miss Galle's family own the former Connor home on North Beach. They spend most of the year here.

COUNTY AGENT'S NOTES

Get Year Round Grazing Plan

By Howard F. Simmons

Keep making 1950 the Pasture year by planning now a year-round grazing program.

Winter grazing is paying off according to reports from all over the state. But plans must include every month if the needs of live-stock are to be met.

Compare the upkeep on pastures with your insurance policy; neither will stay in force without the premium being paid. The premium on pasture insurance is fertilizer, seed and good management.

Plan now where lespedeza will be interplanted in oats. Cows will have to be moved March 1 to get best production from the oats. Nitrate should be applied the day cows are moved.

TIME FOR LESPEDEZA
More lespedeza seed are planted too late than too early. The last of February and the first few days of March is the time to interplant lespedeza in oats.

Buy enough lespedeza seed to sow at the rate of 25 pounds of Kobe and common and 40 pounds of Korean per acre. A cyclone seeder, end-gate seeder or approved spreader are good for sowing the seed on oats.

Whether lespedeza can be sown just before or after applying the nitrate troubles many farmers. The answer is that since 100 pounds of ammonium nitrate or 200 pounds of nitrate of soda is all that is recommended as top-dressing on oats for grain, there will not be enough nitrate to damage the seed.

Lespedeza seed can be drilled lightly on oats, on prepared land or on sod. This helps keep the seed from drifting if a big rain follows soon after seeding.

TIME FOR HEAVIER FEEDING
February is an ideal month to feed all livestock heavier, especially dairy cows, since grazing is shorter than during any other month.

Many dairymen get more milk during the winter months because they have saved feed by using pastures during other months. All live-stock love to eat, and if they get plenty to eat they will give milk or make meat.

INSURING PASTURES
Back to insuring pastures, this can be done in 1950 by using enough fertilizer and minerals, the right seed and good management.

A big part of the 1950 pasture program is to put grass and clover in place of the millions of acres of broomsedge. To make money from pastures, use lime, phosphate and potash, or basic slag and potash, along with plenty of nitrate.

Remember, pastures could make the biggest business in the South. That is why it will pay to make plans and carry them out.

Pasture tours are being held now in many counties. Don't let a tour be held near you without attending.

FRUIT PRODUCTION
A home orchard contributes much to the family savings, health and satisfaction. It is not too late for winter orchard tasks. But check up on the following before it is too late.

Plan new orchards or make replacements and additions to fruit plantings.

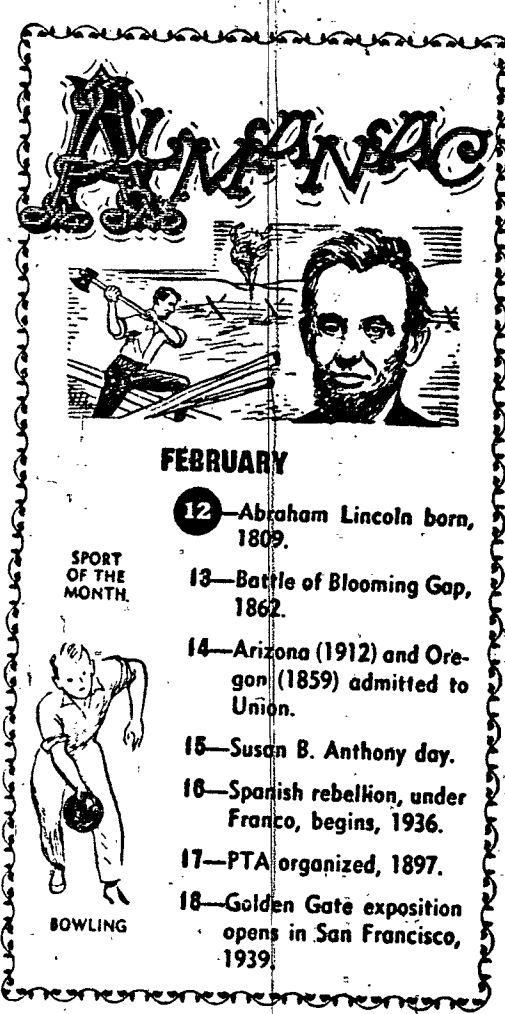

Prune and train fruit trees and vines. Peaches and plums trained to the modified leader system instead of the open center system make stronger, more vigorous and higher yielding trees. See your Extension agent for further information.

Spray fruit trees to control scale. Root cuttings of grapes.

Clean up the orchard. Remove and destroy material pruned from trees, mummified fruits and material harboring insects and diseases.

Make or repair trellises for grapes and berries and train vines on trellises.

Fertilize and mulch strawberries.

The Veterans Administration on November 1, 1949, was making National Service Life Insurance payments to 423,000 beneficiaries of deceased World War II veterans and servicemen.

25 - 30 Boys Come Out For Baseball Practice

Approximately twenty-five to thirty boys were out Sunday afternoon at Morreale's stadium on Highway 90 for baseball practice in preparation for the opening of their league. Forster Commagere, director, stated.

Some forty or more boys have already signified their intentions of getting into this league; these boys come from Bay St. Louis, Waveland, Lakeshore, Clermont Harbor, and other parts of the county.

CALL MEETING
It is the intention of those organizing the league to call a meeting of the boys who want to play some time next week. They want to complete four or more teams so that the schedule can be made.

All boys who have not come out for practice are requested by Mr. Commagere to be at Morreale's field Saturday afternoon between 2:30 and 5, also on Sundays at the same hours.

SO EASY
There will be no strenuous playing or practice, the director said, and he recommends that boys who practice at home go easily in their work; do not throw the baseball with any degree of force because if they do, their arms will become stiff, and they may even cause permanent injury to that member.

Enough sawtimber is burned each year to build 86 thousand modern homes.

Interest It Legion Awards Mounts From Injuries Feb. 4

Local interest in The American Legion School Awards program has mounted to an all time high declared Fred E. Fayard, Sr., Commander of the Clement R. Bontemps Post No. 139 of The American Legion here today.

REQUIREMENTS
Commander Fayard revealed that schools within the community and surrounding areas will each have a boy and girl as recipients of the coveted medals given in a basis of character, service, courage, leadership, companionship, honor and scholarship. Winners achieve their awards by being selected by their teachers and classmates.

CERTIFICATE AND MEDAL
With each award of the famed bronze medals goes an engraved certificate suitable for framing which attests to the award. Winners are usually selected from among graduates of the eighth grade.

Working closely with the local schools Commander Fayard inferred that a joint announcement of presentation dates in each school was now being readied.

Veterans are good GI loan risks. Of the 1,791,000 GI loans granted through November 1, 1949, only seven-tenths of one percent (or 12,574) had defaulted, causing the Veterans Administration to make good the guaranteed or insured portions of the loans. And even part of the sum V-A had to pay to lenders still is subject to further recovery.

STATE CITIES, TOWNS GET "LITTLE END" OF TAXES

The chart above, prepared after an extensive study by the Taxation Committee of the Mississippi Economic Council, graphically shows towns and cities come out "the little end of the horn" in the redistribution of tax money collected by the State of Mississippi. With the exception of school funds, only 1 percent of "state aid funds" are returned to municipalities. The amount of state aid to cities, shown in the upper right corner of chart, does not include HB 814 of 1948, the "pork barrel" grant, which gave some temporary relief to municipalities. The chart above is one of a series prepared by the MEC Taxation Committee, and issued in booklet form, to show the unhealthy financial plight of state towns and cities. The average municipality in the state receives 75 percent of its tax dollar from local ad valorem taxes.

By-gone Days

By Udell Favre

APRIL, MAY, AND JUNE, 1906

The new city administration to take office in 1906 was composed of John K. Edwards, mayor; T. L. Adam, Joseph L. Favre, Walter J. Gex and Frank Fabre, aldermen; John B. Ibor, assessor and tax collector; Richard Mendes, secretary and city auditor; Thomas J. Conway (treasurer) and Albert J. Carver, Marshal.

News was received in Bay St. Louis that the home of Julian A. Mauffray, a brother of Joseph O. Mauffray, was totally destroyed by fire at Mississippi City.

Very Rev. Father Alois Van Waesberghe, pastor of the church of Our Lady of the Gulf in Bay St. Louis, died following a long illness in April 1906.

The Moreau theatre as projected several months before this, was not to be built in 1906 as intended; Mr. John Osoinach was going to build the Osoinach theatre, on the beach front opposite the Feahney place over his store building.

Rev. Father Huser, D. D., was appointed pastor of the Catholic church at Bay St. Louis with Rev. Father McCookney as assistant pastor.

An order was issued by the Board of Mayor and Aldermen for all police officers to wear uniforms. The board provided for the cost and Alderman Gex was to see that the order was carried out.

Capt. J. M. Tyler, Capt. W. A. Dill, S. P. Driver and Judge J. B. Ibor, prominent confederate War veterans, attended the meeting of that group held in New Orleans.

The new City Hall building, constructed at a cost of \$10,000 had hardly been completed when plans were begun for erecting a \$10,000 brick building for the Merchants Bank; a large department store and theatre frame structure for John Osoinach which would cost anywhere from \$6,000 to \$10,000; and a two-story all brick building for the order of the Woodmen of the World, Cedar Grove Camp No. 507. The Woodmen Hall was to be built on the Piernas lot, purchased for \$600.

Mrs. A. R. Hart returned from a visit to her sister, Mrs. R. Wentworth in Maxey, Miss.

Mrs. M. R. Blaize, accompanied by her daughter-in-law, Mrs. G. Y. Blaize, visited in New Orleans.

Members of the Knights of the Cross planned a benefit for the Catholic church to secure funds for repairing the church and the priests' house.

Soil Conservation

By: J. L. BISHOP
Soil Conservation Service

This article was written by Mr. Gordon Webb, who is in the News Information Bureau Department of the Soil Conservation Service, Regional Office, Spartanburg, South Carolina.

Atlanta, Ga., Feb. 7.—A thousand farmers and ranchers who direct soil conservation work throughout the nation are expected here February 27 - March 2, for the annual convention of the National Association of Soil Conservation Districts.

With personal interests as varied as the country's agriculture, they will confine themselves to one big subject—protection, improvement, and proper use of land and water.

Kent, Leavitt, a New York dairy farmer, of Millbrook is president. R. M. Boswell, a Kenedy, Texas, rancher-farmer, is first vice president. Everett Barr, the second vice president, is a Liberty, Nebraska, cattle-hog grower. Among the directors are August Threlkeld, who grows tobacco near Corinth, Kentucky, and W. M. Hodgson who farms in south Alabama, near Bay Minette. "It will be the biggest meeting of its kind ever held in the world, and we Georgia folks had to do some big things to get ready for it," said W. F. Hall, president of the Georgia Association of Soil Conservation Districts, of Sparta and chairman of the convention steering committee.

When the committee learned no Atlanta place would be available the night of February 28 large enough to feed 1,500 people, Hall and his group arranged for one of the boys at the Marietta Air Force Base. Then

they chartered a special train to carry the soil conservation leaders and their guests to a siding near the banquet hall.

This banquet will be open to the public and to representatives of the farm equipment, fertilizer, seed, and other allied industries interested in soil conservation, Hall explained.

Main speakers for this banquet will be Congressman Stephen Pace of Georgia; Mrs. Herman G. Pace, serving her third term as president of the Garden Club of America, of Millbrook, New York, and Farrington R. Carpenter, rancher, of Hayden, Colorado.

Hall said that every group in Georgia is working to make the convention a success, "because we all feel that we have an opportunity to show the rest of the country that the South today is the Nation's No. 1 opportunity, and the No. 1 economic problem."

Wednesday March 1 will be tour day, with the soil conservation district leaders leaving Atlanta on one special train and three bus tours to see "the red old hills of Georgia green with winter grazing." Wives of soil conservation district leaders will go by bus to Warm Springs, Georgia, March 1 on a tour arranged by Mrs. Hinton Blackshear of Atlanta. Mrs. Blackshear also has arranged a luncheon at the Atlanta Woman's Club, February 28 and a tea at an Atlanta department store March 2.

National President Leavitt arranged a program for what he called "a working convention." For months, small groups of supervisors serving on "skeleton committees" have been tackling problems pertinent to "a nation-wide program of properly using and protecting our basic resources." These committee reports and other association activities will be discussed at business meetings in the auditorium at the Georgia Evening College.

Nearly all of the speakers who are not soil conservation district leaders will appear on either a banquet or luncheon program.

Governor Herman E. Talmage of Georgia, himself a cooperator with a soil conservation district, will speak at the luncheon February 28 at the Ansley Hotel.

Dr. Fairfield Osborn, president of the Conservation Foundation and author of the much-discussed book, "Our Plundered Planet," is one of the speakers for the presidents' banquet at the Ansley, March 1. Other speakers will be Harry E. Polk of the National Reclamation Association and President Leavitt.

Preliminary to the national meeting, district leaders from nine Southeastern states will meet here February 27.

GIVE BUFFET SUPPER

Mr. and Mrs. E. N. Brignac entertained at a buffet supper at their home Saturday evening with approximately fifty guests. The supper was given in the rumpus room.

Out of town guests were Mr. and Mrs. D. J. Duvoisin of New Orleans.

Long Beach Garden Club Stages A Camellia Show

In a spring setting, the Long Beach Garden Club put on a Camellia show at Camp Kittiwake Saturday, January 28 from 2 to 8 p. m.

In the front room, where visitors were asked to register, were laid a luncheon table, a refreshment table, a parlor table, a breakfast table and a reception table, all of which were set with crystal and silver.

The large rooming in the center hall was the center of the show, in the center were arrangements of magnolia leaves tinted white. In the alcoves overlooking the main room were arranged on either side of both entrances were stands holding large potted ferns.

At the back wall of the second room where the Camellias were displayed was a white curtain with trailing green vines.

The specimens and arrangements of the Camellias vied each other in beauty and a display of Ceramics put on by the Kane Kraft School of Ceramics, added the last touch to the exhibit.

The sweepstakes award went to Mrs. Bryan V. Bohn of Gulfport; runners up were Mrs. Edgar Little and Mrs. Mae Garner. Mrs. Bohn had 32 points, Mrs. Little 27 and Mrs. Garner 26.

The Bay-Waveland Garden Club won first place for council table arrangement. The arrangement was made by Mrs. L. T. Boyd. The Camellias were grown by Mrs. Eugene Mogabgab, Council president. Mrs. L. T. Boyd, of our local club, won blue and red ribbons for arrangements; Mrs. T. A. Schaefer won a blue ribbon for specimens; Mrs. W. L. Reeder won a blue ribbon and Mrs. Eugene Mogabgab won a red ribbon for corsages.

Members attending from the Bay club were Mr. and Mrs. W. L. Reeder, Mrs. Mogabgab and Mollie Dorn, Miss May H. Edwards.

Mrs. Vinson Smith is president of the club; Mrs. Homer Smith is Camellia show chairman; and Mrs. B. F. Lindsey, Gulfport, is co-chairman.

Old Dog Learns New Trick

Driving back from the county seat the other night, I got behind a big truck on that winding stretch a few miles outside of town.

Waiting for an open stretch so I could pass, the truck's lights suddenly flicked on and off, saying "OK—go ahead." I passed him and flicked my lights "thanks." He came back with another flick, saying, "You're welcome!"

Later on, at the Garden Tavern, Andy tells me, "That's a trick truck drivers use. They know that more than just ordinary courtesy pays off." Then he adds, "We beer retailers know it, too. In working with the Brewers

and their Self-Regulation program we keep our places clean, bright and law-abiding. We go out of our way to 'do right' by the public."

From where I sit, the courtesy shown by truck drivers and the Brewers' Self-Regulation program are both good examples of voluntarily cooperating for the common good—a way of life that has helped keep America up in the "driver's seat" for over 150 years!

Legion Helps Fill Prisoners Claims

Jackson, Feb. 2.—Former prisoners of war and civilians suffering loss of property or bodily harm in the hands of the Germans and Japanese during World War II will soon receive payments for the loss in redress by the federal government.

This was the statement of Guy Land, Department Commander of the Mississippi American Legion who disclosed that "... the Legion is preparing to represent Mississippians having claims to be made before the War Claims Commission."

COMPENSATIONS GIVEN

Payments announced involve compensation for sub-standard diets for prisoners of war. All Japanese prison camps have been declared sub-standard, and it is believed that Nazi camps located during hostilities in Germany proper will be similarly classified.

Proposed payment for detention in such camps will amount to \$1 per day. Many Mississippians will receive, it was estimated, between \$300 and \$1200 in War Claims payments.

FUNDS FROM FROZEN ASSETS

John R. Powell, American Legion State Service Officer, said that funds for the payments would be disbursed from frozen German and Japanese assets impounded by the government at the outbreak of World War II. The opinion was expressed that the payments would not be subject to federal income tax.

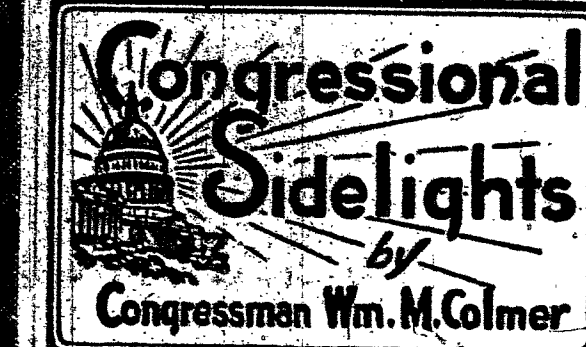

LOSS OF PROPERTY

Two other types of payment, not yet stipulated as to amount, will be made for loss of personal or real property or for bodily harm sustained while a prisoner of either the Japs or Germans. Questionnaires for those claims must be filed in the hands of the War Claims Commission by prospective claimants by March 2, 1950, Powell said.

The Clement R. Bontemps Post 439 of the American Legion is offering the service of filling out the questionnaires and the actual claims forms for the substandard diet payments. Eligible veterans desiring assistance may receive same from Laurence Dickson or Fred E. Payard, Sr.

VISITS GARRIGAS

Visiting Mr. and Mrs. Lathan Garriga over the week end were Mrs. Garriga's sister and brother-in-law, Lt. and Mrs. H. G. Ward from Biloxi; her father and his wife, Mr. and Mrs. D. M. Ladner of DeLisle; her sister and brother-in-law, Mr. and Mrs. Emmett Ladner of New Orleans; Mr. and Mrs. Shilo Genin.

THE HYDROGEN BOMB

President Truman's announcement this past week that the United States would build a hydrogen bomb came as no surprise. This conclusion, of course, was arrived at after mature reflection and many conferences between the President, the heads of the various branches of national defense and his policy makers generally. While it is a momentous decision, it is one that was dictated by common sense. Regardless of how destructive such a bomb may be (estimated to be as high as 1,000 times more powerful than the atomic bomb dropped on Hiroshima) in the present state of world affairs there is nothing else to do. To say that this country should not be prepared with such a weapon when we have every reason to believe that our only potential enemy, Russia, has or will develop such a bomb is sheer stupidity.

While we still adhere to our oft expressed thought that Russia has no plans for a military conquest of the world in the foreseeable future, for us to be without the bomb would be an open invitation for Russia to undertake such a conquest. And the best method of protecting ourselves against such a conquest, of course, is to be prepared with the latest and most modern weapons to resist it.

INTERNATIONAL CONTROL

Therefore, it necessarily follows that until the Soviet Republic, the only other strong world power, will agree with other nations of the world to be elimination of these heinous implements of destruction and an international police is set up with full freedom for inspection to see that that agreement is being carried out, we must of necessity be prepared for any eventuality. All other nations of the world have signified their willingness to such an agreement with the exception of the Soviet Republic.

HOPE

The very destructive power of the H-bomb, which is said to be capable of destroying civilization and mankind, within itself offers some hope for the future. When a man or group of men have just cause for fear of being burned to death, they hesitate to set fire to the building in which they are housed. So Stalin and his little band of puppets, which make up the Politburo, might well hesitate to start an atomic and Hell-bomb blitz on America, England, France, and the rest of the allied world when they have an assurance that Russia will not be visited by the same blitz. We have gotten much comfort out of this thought for the past six years. In fact, ever since we propounded this 64-dollar question to Winston Churchill, that wise old sage and warrior, the saviour of England, in a conversation with him in 1945. I asked, among other things, "Mr. Churchill, what assurance have we, if any, that once Russia obtains the secret of the atomic bomb, she will not pull another Pearl Harbor sneak attack on us with A-bomb blitz?" That wise old man hesitated for the only time in the 3-hour conference that we had with him. Then he raised his head slowly and said, "The only assurance that we have is that the masters of the Kremlin, also have, no assurance that within a few hours they, likewise will not be subjected to a similar attack."

RED CROSS NOTES

The following ladies met at the home of Mrs. E. M. Weston, Wednesday evening, February 1st, with Mrs. Caroline S. Witherspoon, Field Representative American Theater Wing and Mrs. Catherine Schell, Field director of Gulfport Veterans Hospital to make "hats" for the Gay 90 Review to be given at the Gulfport V. A. Hospital, March 4th. Other than Mrs. Weston, American Red Cross Executive Secretary, and the visiting ladies there were Mesdames James Seghers, Walter Rauch, Earl Wiegand, C. D. Blair, Leo Seal, W. L. Reeder and T. E. Schaefer, present.

PASS CHRISTIAN

WAVELAND NEWS

By Mrs. H. K. Holderith

A miscellaneous shower was given in honor of Mrs. Lionel Boudages, before her marriage, at the home of Mrs. Mary Moran.

The reception rooms were decorated in green and yellow.

The bride's table was covered with a hand made lace cloth centered with a wedding cake, which was decorated with two love birds holding wedding rings. A large umbrella, covered with green and yellow, hung over the table. Each guest was given a party hat.

Co-hostesses with Mrs. Moran were Mesdames Chester Bourgeois, Louis Jacobi and Randolph Bourgeois.

Mr. and Mrs. Chester Bourgeois had as their guests over the weekend Mrs. Bourgeois' sisters, Miss Valena Nevas and Mrs. Eva Mae Winston, and children.

Mr. William Bozeman has started to build his home on Bourgeois St.

Mr. J. T. Prowell is rebuilding his home, on the beach, that was lost in the hurricane.

Mr. Eugene G. Schwartz is building a home on Nicholson avenue.

Dr. Scott has sold both of his houses, one to Mr. J. Rattenburg and the other to Mr. James Gaudet.

Mr. and Mrs. Fred Eckerle and Mr. and Mrs. Roland Pfeiffer of New Orleans visited Mr. John Eckerle Sunday.

Mr. and Mrs. C. K. Miller and children visited their parents, Mr. and Mrs. John Rauch, for a couple of days.

Mrs. Frank Ladner was called to Gulfport last Friday because of the illness of her grandson, Howard Ladner, Jr., who has the measles. Mr. Ladner joined his wife in Gulfport Sunday and both of them came home that night.

Mr. Turner Nicaise of Kiln came home from the Marine Hospital in New Orleans, which he entered last August.

Mr. and Mrs. Emmette Garriga and two sons from Shreveport, La., visited in the home of their parents, Mr. and Mrs. O. J. Garriga and family, and also in the home of Mr. and Mrs. J. C. Mauffray, for a few days last week.

LEETOWN

The grammar school teams of Leetown school played basketball against the grammar school teams of Bay High in the Bay High gym, Monday night, February 6.

The Leetown boys won by a score of 41-21; the Leetown girls lost their game by 2 points. That was the first game the girls had lost this season.

Mr. and Mrs. R. W. Lazenby and children, Louise, Louis and Tommie, and Mrs. Robert E. Lee, visited Mr. and Mrs. Willie Lee Sunday.

Miss Layvonne Lee, daughter of Mr. and Mrs. Heber Lee, had her appendix and tonsil removed Monday evening at Martin's Sanatorium in Picayune.

Misses Jénerme and Emma Belle Lee visited in Barth Sunday at the home of Elder and Mrs. George C. Stockstill.

KILN NEWS

Kiln Girls Victors In Tournament

By the Junior-Senior English Class

Saturday night, Feb. 4, 1950, Kiln girls and St. Stanislaus boys won the finals in the Bay High meet. The Kiln girls defeated Picayune, and S. S. C. topped Dedeaux.

Even though they had the long bracket, (games four nights straight), and were facing two teams, Pass High and Picayune, that were previous conquerors of the Wildcat lassies, Kiln advanced to the finals by tripping St. Martin, Dedeaux, and Pass High. Picayune defeated St. Joseph and Bay High to get into the finals.

In addition to the high scoring of Jane Haas with 27 points and Mary Louise Nicaise, 15 points, backed up by Lois Cuevas' floor play, Kiln had the guards, Irma Depue, Mable Haas, Glorie Lacoste, and Jannette Garriga to thank for their victory. The guard work at their best holding Picayune's last forwards to only 37 points.

NIGHT BY NIGHT
WEDNESDAY—Kiln girls swamped St. Martin, 64-14. Mary Louise Nicaise was high for the winners with 19 points.

With the score of 52-32 Kiln Wildcats eliminated St. Martin boys. Joe Thrash was high with 21 points.

THURSDAY—Kiln girls bounced Dedeaux 54-28. Again Mary Louise Nicaise was high with 28 points.

In a thrilling game, Kiln boys played Dedeaux, but the Wildcats lost by three points 30-27.

FRIDAY—Kiln tangled with Pass High, a team that had defeated them earlier in the season, but the Kiln girls refused to go down the second time. At the close of the game Kiln was out front 53-45. Mary Louise Nicaise rattled the backboards for 34 points.

S. S. C. defeated Dedeaux in the boys' finals, after which the all-Tournament team was announced. The girls were Jane and Mable Haas, and Glorie Lacoste. Mike Ladner made the all-Tournament boys' team.

The Kiln girls scored 215 points—an average of 54 points per game in their four games of the tournament, to their opponents 154. Mary Louise Nicaise chalked up 126 points, which is an average of 31½ points per game.

KILN F. F. A. RECEIVES HONORS
Kiln F. F. A. boys with their agriculturist, Mr. A. L. Shepherd, went to Perkinston Junior College for the Gulf Coast Region judging contest, Saturday, February 4, 1950.

Approximately one hundred boys coming from 12 high schools in five counties of South Mississippi participated in the judging.

Prather Nicaise, Webb Welborn, C. J. Lee and Joe Moran represented Kiln in the Dairy judging contest, with the following results:

Carriere, 1st place; Kiln, 2nd place, and McNeill, 3rd.

Kiln's poultry judging team was composed of Edmond Lee, Joe Thrash, Elwyn Lee, and Leroy Cuevas. In this contest, McNeill won first place; Kiln, second; and Carriere third.

In the crop judging contest, Elwyn Lee, Elroy Lee and Gussy Cuevas made up the Kiln team. Carriere came out first, Kiln second, and McNeill third in the crop judging.

Mable Haas, valuable utility girl on Kiln Hi's basketball team, had an attack of appendicitis Tuesday and was operated on that afternoon at Kings Daughters hospital in Bay St. Louis.
